Ages

Children under the age of 5 are not permitted in the lagoon. Children ages 5-7 may only surf with a private coach with a 1:1 ratio, not a parent or guardian.

Children ages 8-13 may enroll in our NLand Training Center junior coaching programs or surf with a parent or guardian on the same wave with individual boards. A competitive junior surfing the reef may only opt out of the same wave requirement if he/she has been authorized by the Head of Surf Operations.

Waiver

All guests purchasing a surf pass, shore pass, coaching session or clinic must sign our waiver either online or on-site. For expediency, we encourage all guests to fill out the waiver in advance.

If a guest is under the age of 18, his or her parent or legal guardian must fill out the waiver on the minor's behalf. Aunts, uncles, grandparents or family friends that are not legal guardians may not sign for the minor.
